

Receive 150 CHF while contributing to define next generation HDTV quality !

- ✓ **You don't mind getting 150CHF/day just for watching TV.**
- ✓ **You have good eyesight with or without glasses.**
- ✓ **you can be available twice half days (or one full day) from the 8th March to the 4th of April 2010.**

So why don't you subscribe to the EBU (European Broadcasting Union) Technical subjective evaluation sessions !

The sessions will be held from the 8th March to the 4th of April 2010 at EBU (L'Ancienne-Route 17A, CH-1218 Le Grand-Saconnex - Geneva).

The results will determine next generation HDTV compression technology which will optimise the final HDTV quality.

Each session consist of 30Min assessment of picture quality on large flat panel display according to standardised methods so called DSIS and DSCQS. What you will you have to do :

- 1.** Watch the future HDTV content.
- 2.** Vote on their quality and that's it!
